Filed: December 7, 2001

Examiner: E. Kemmerer

For: Human Haemopoietic Maturation Factor

TRANSMITTAL LETTER

Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the Notice entitled "Pre-Grant Publication Helpful Hint", 1251 OG 54, October 9, 2001, the above identified application was filed with a new, clean copy of the specification and claims incorporating amendments made during prosecution of the parent application (App. No. 09/333,033), as well as other amendments that do not add new matter. As a convenience to the Examiner, please find enclosed a marked-up copy of the specification and claims showing these amendments as made in the present specification.

Applicants believe that there are no fees due in connection with the filing of this submission. However, should a fee be due, please charge such fee to our Deposit Account No. 08-3425. A Fee Transmittal Sheet is attached.

Respectfully submitted,

Dated: April 11, 2003

Mark J. Hyman
